Re: New Group Section at Nationals

The RG TC is pleased to announce that we will be officially introducing the Aesthetic Group Section at Nationals 2010.

This group section is aimed at older gymnasts who would like to continue competing. We are aiming to keep these gymnasts involved in RG for longer.

For the purpose of developing this section, we will not have age sections in 2010. This will be reassessed in 2011. Therefore there is no minimum or maximum age.

The manual is 5MB big so please email robbynaker@mweb.co.za if you are interested in this section and she will then send it to you directly.
